Dear Parents/Carers,

**Welcome to your new catering service**

We now run our own in-house catering. We attach great importance to the provision of meals in our Academy and ensure that our meals are always healthy and balanced. Where possible, ingredients are sourced locally and we use fresh produce whenever we can.

We have a dedicated team, led by Mrs Bailey supported, by School Food Solutions, who work hard to produce a wide variety of meals for both students and staff.

All our food is freshly cooked each day and our sandwiches are made on site. Our menus have been individually designed for Our Lady of Grace and take into consideration feedback from the pupils and the student council.

All allergy information is available within the school kitchen.

Please look out for our full list of our themed meal events and, if you have any questions, please contact the school office.

Yours sincerely

Mrs Rathbone  
Principal

If you require this information in any other format, please contact the school office.
